26" HD READY LCD TV

Introducing the SAMSUNG Series 3 LCD TV. The Series 3 range of LCD TV's offers users a simple introduction to the world of HD TV. Stunning picture quality coupled with superb connectablity means you will be able to enjoy you HD TV whether viewing movies from Blu Ray players or when enjoying next generation HD gaming.

HD Ready

Redefine your viewing experience with HD Ready TV. Experience colour and detail like never before as movies, sports and gaming burst to life on your screen.

5000:1 Dynamic Contrast Ratio

With a Dynamic Contrast Ratio of up to 5,000:1, images are presented with power, precision and lifelike detail. The Digital Dynamic Contrast is controlled by a variable backlight behind the panel. The internal dimming or brightening of the LCD backlight creates incredibly dark and bright images making for a clearer natural image.

2 HDMI

100% pure digital connection synchronises audio and video signals, ensuring no data loss and pure viewing perfection. Equipped with 2HDMI inputs, the SAMSUNG LCD TV Series 4 is more than a sensational TV; it has the ability to be the centrepiece of your digital world. The addition of Anynet+ (HDMI CEC) allows you to control all connected AV devices from one remote control, giving you a more integrated entertainment experience.
